

Bookkeeping is the task of maintaining required documents and records for the purpose of accounting & Auditing. Accounting is different from Bookkeeping. For Accounting knowledge of applicable laws, rules & regulations, as well as the knowledge of business is a must. Though the words [Bookkeeping](#) and [accounting](#) are used together there is a vast difference between them.

We provide services in the field of accounting, the broad areas include:

- a) Conversion form Single entry to Double entry [system of accounting](#),
- b) Consultation, Guidance in maintaining detailed accounts which will satisfy the needs of all the users,
- c) Compliance with standards, Compliance of all applicable rules while laying down system of accounting,
- d) Balancing of books, balancing of Books & reconciliations with respect to financial institutions & others.
- e) [Cash flow management](#), timely advising in improving favorable cash flow & suggesting remedial action.
